

POLLUTION: A SILENT CRISIS HIDDEN IN EVERY BREATH

Initiative of The Designo International  in collaboration with Indian Institute of Technology (IIT), Kharagpur

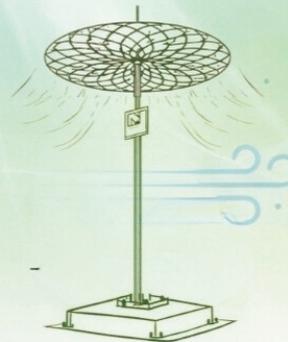

PM REDUCTION
UP TO
70%

Mobile Solution (Vehicle-Based)

Advance Technology for reducing on the go emissions

Static/Stationary Solution

Cutting-edge systems purifying air in high impact areas

TURNING TODAY'S ACTION INTO TOMORROW'S CLEAN AIR

PRAMATI ADVANCED MOBILE SOLUTION (VEHICLE BASED)

REAL IMAGES

ENGINEERED POLLUTION CONTROL:

Our specialized mobile misting vehicle utilizes advanced misting technology to effectively suppress dust and capture airborne pollutants in urban and industrial zones.

PRAMATI ADVANCED STATIC SOLUTION

TESTED & TRUSTED

STATIC SOLUTION

Proven Dust Suppression Performance

The Technology used in Pramati has proven itself. It is the only certified technology that reduces pollution level Up to 70%

TESTED & TRUSTED

VEHICLE SOLUTION

Proven Dust Suppression Performance

PRAMATI delivers measurable impact, not promises.

Patented technology
374430-001

Covering up to 540 m³ of airborne dust cloud per misting cycle — PRAMATI transforms urban spaces into breathable zones.

— TRUSTED BY — PUBLIC INSTITUTIONS

GOVERNMENT & URBAN BODIES

Municipal Corporation, Raipur, Chhattisgarh

Meghalaya State Pollution Control Board

Nagar Palika Parishad, Muzaffarnagar, U.P.

INTERNATIONAL RECOGNITION

Selected by the Technical Programme Committee
for paper presentation and publication at:

Asia Conference on Environment & Sustainable
Development (ACESD), 2025 - Japan

PUBLIC WORKS DEPARTMENT (PWD), DELHI IMPLEMENTATION PROJECTS

- 📍 ITO, (Opp. PWD Headquarter), New Delhi
- 📍 Mathura Road (Opp. Supreme Court), New Delhi
- 📍 DDU Marg (Opp. BJP Head quarters), New Delhi
- 📍 Rani Jhansi Marg – Multi-Road Coverage (4 Roads Simultaneously)
- 📍 Bhairon Marg (Opp. Pragati Maidan), New Delhi

Delivering policy-aligned infrastructure and
environmental solutions across institutions.

IMPACT BEYOND NUMBERS

Cleaner air is not a luxury.
It is a **necessity**.

Every breath matters.

Technology that protects
public health.

IIT Kharagpur validation

Proven PM reduction performance

Sustainable and eco-friendly approach

UNITED FOR CLEANER AIR
